

UK Register of Ground Engineering Professionals List of Registrants

All persons listed below are registrants belonging to the UK Register of Ground Engineering Professionals (RoGEP). They are expected to abide by the Rules of Professional Conduct of their host Institution. [The Geological Society London](#), the [Institute of Materials, Minerals and Mining](#) and the [Institution of Civil Engineers](#), the RoGEP Panel members, assessors and other professional bodies/organisations represented on the register do not accept responsibility for the work of the registrant listed.

In order to ensure that you are able to locate a suitable registrant, we would welcome your feedback in regards to the current information displayed below. If you feel it would be beneficial for additional details to be provided please send your comments to the RoGEP secretariat via registers@ice.org.uk. Individual registrants are responsible for ensuring that the contact details provided below are correct.
