

The Conservation Accreditation Register for Engineers (CARE) has been established jointly by the Institution of Civil Engineers (ICE) and the Institution of Structural Engineers (IStructE) to identify engineers skilled in the conservation of historical structures and sites.

All persons listed below are CARE registrants who are expected to abide by the rules of professional conduct of their host Institution. On behalf of ICE, IStructE and Engineers Ireland, the CARE Panel do not accept responsibility for the work of any registrant listed.
