

The Conservation Accreditation Register for Engineers (CARE) has been established jointly by the Institution of Civil Engineers (ICE) and the Institution of Structural Engineers (IStructE) to identify engineers skilled in the conservation of historical structures and sites.

All persons listed below are CARE registrants. They are expected to abide by the Rules of Professional Conduct of their host Institution and to the Register's Code of Ethics, Annex A 3009(3).

ICE, IStructE, the CARE Panel members, assessors and other professional bodies represented on the CARE Panel do not accept responsibility for the work of any registrant listed.
