

Members of the Welsh Infrastructure Alliance (WIA):

Association of Consulting Engineers (ACE)

Association of Consultancy and Engineering (ACE) – Trade association for the UK’s professional consultancies and engineering companies operating in the social and economic infrastructure sectors championing infrastructure to government and other stakeholders, representing the views of around 450 members. Our members employ over 60,000 in UK and 250,000 worldwide, contributing more than £15 billion to the UK economy.

Chartered Institution of Highways and Transportation (CIHT)

The Chartered Institution of Highways & Transportation (CIHT) is a charity, learned society and membership body with 12 UK nations / regions and a number of international groups. CIHT represents and qualifies professionals who plan, design, build, manage, maintain and operate transport and infrastructure. CIHT offer routes to qualifications including Chartered Engineer, Incorporated Engineer and Engineering Technician, the SoRSA Certificate of Competency and Transport Planning Professional. CIHT is the leading voice of the highways and transportation infrastructure profession. We are the prime source of advice for national and local government and other strategic stakeholders when they are seeking technical expertise and knowledge to guide future policy and investment.

Chartered Institution of Water and Environmental Management (CIWEM)

CIWEM represents and supports a community of thousands of members and organisations in over 89 countries who are dedicated to improving water and environmental management for the benefit of the public. Our aim is to work towards a safer, more sustainable world. Our mission is to build a global community of water and environmental professionals dedicated to working for the public benefit.

Chartered Institution of Wastes Management (CIWM)

CIWM is the leading institution for resources and waste management. CIWM Cymru Wales has 400 waste and resources management professionals in Wales meeting at technical and social events for development, debate and networking.

Civil Engineering Contractors Association (CECA) Wales

The Civil Engineering Contractors Association (CECA) Wales represents 60 of Wales' largest and smallest civil engineering contracting businesses with a cumulative annual turnover in excess of £1bn and employing over 6,000 people. These businesses play a huge part in supporting communities across Wales and make a significant contribution to the economic prosperity of our nation. Our members are also major providers of training and apprenticeship opportunities. On a more fundamental level it is our members who will build the infrastructure that our nation needs to prosper.

Constructing Excellence in Wales (CEW)

Constructing Excellence in Wales is the united voice of Welsh construction, representing every part of the supply chain. We are an independent, self-funding membership body campaigning to highlight the industry's role in creating a built environment in Wales that's fit for the future.

Construction Industry Training Board (CITB)

CITB is dedicated to ensuring the construction workforce has the right skills for now and the future.

Institution of Civil Engineers (ICE)

Founded in 1818, the Institution of Civil Engineers (ICE) is a UK-based international organisation with over 95,000 members, ranging from students to professionally qualified civil engineers. As an educational and qualifying body, with charitable status under UK law, we support our members throughout their careers, and help society to have trust and confidence in infrastructure professionals.

Under our Royal Charter, ICE has become recognised worldwide for its excellence as a centre of learning, a public voice for the profession and a leading source of expertise in infrastructure and engineering policy.

Institution of Structural Engineers (IStructE)

The Institution of
StructuralEngineers

IStructE leads and supports the development of structural engineering worldwide in order to secure a safe and resilient built environment for all.
