

EASTERN PRETECH CAREER TALK

On the 20th November 2013, a career talk by Eastern Pretech was organised. The 2-hour talk was held at 3 pm. Ir. Ng Kok Peng, the CEO of NSL Eastern Pretech Sdn. Bhd, was the speaker of the day. The participation of students was good.

The objective of the career talk was to improve the knowledge of students about the working environment in the engineering industry, career opportunities and development in the company. Internship and job opportunities were also provided for students who needed them and qualified.

The committee members welcomed the arrival of Ir. Ng Kok Peng at 3 pm. Then, the talk started with an introduction by the emcee, Julius Chang. During the career talk, Ir. Ng mentioned about the past histories, developments and the changes of the company all these years. He also introduced various products produced by the company such as the Precast Concrete Components, Prefabricated Unit Bathroom, E-Mix range of products and etc. The use of Precast Concrete System ensures better quality control, faster project completion, reduction of site labour and environment friendly.

The speaker, CEO of NSL Eastern Pretech (Malaysia), Ir. Ng Kok Peng.

After Ir. Ng's speeches, the senior HR manager, Mr Teoh, took over and introduced the management side in the company. He talked about the working environment, organisation and management roles as well as information regarding job vacancies and career development in NSL Eastern Pretech.

Later, there was a Q&A session conducted. Souvenirs were then given out to the speakers as a token of appreciation. The career talk ended at 5pm.

Students participated actively during the Q&A session.

Lecturer, Dr. Choong Wee Kang handed the souvenirs to Mr. Teoh (Left) and Ir. Ng Kok Peng (Right).

The career talk ended with a group photo with the speakers, lecturer and ICE SC committee members.
