

ICE Bicentenary

# Pitch 200

ice  
200  
Institution of Civil Engineers

ARE YOU A CIVIL ENGINEER  
WITH A PASSION FOR WHAT YOU DO?

Are you a civil engineer with a passion for what you do? Have you worked on an exciting project that you're bursting to tell someone about? Want to share your knowledge with a wider audience?

Our Pitch 200 competition will showcase civil engineering to the general public in an interesting and entertaining way. Applicants are invited to make their entries as engaging and dynamic as possible and the use of props is highly encouraged. Judges are looking for the person who can best demonstrate a civil engineering related concept or project in a 200 second pitch.

The winner from the Scottish heat will go forward to a UK final at One Great George Street before a high profile judging panel and 200 strong audience. The champion will become the face of ICE and work with on high profile opportunities to promote our industry.

## How to enter

Register your intent to join the competition by submitting 60 second summary video by **25 June** to: [kelly.forbes@ice.org.uk](mailto:kelly.forbes@ice.org.uk). Find out more at: [ice.org.uk/scotland/awards](http://ice.org.uk/scotland/awards)
