Liability For Accidents During Visits To Works

The East of England Region, Institution of Civil Engineers, hereby gives notice that all arrangements by the Region for any person to visit Engineering or other Works are made by the Region as Agents for such person, and that consequently the Region accepts no responsibility for any loss, injury or inconvenience to such person in consequence of his or her visit.

Websites & Further Information

Further information regarding ICE meetings throughout the country can be obtained on the ICE website –

www.ice.org.uk

...or visit the ICE East of England pages:--

www.ice.org.uk/eastofengland

Sometimes due to circumstances beyond the organiser's control, it is necessary to postpone or cancel meetings, so please always check the ICE East of England website and watch out for information sent out in our weekly updates. To receive these you will need to register at My ICE on the main ICE website. That section of the website also allows members to sign up to receive newsletters and information from any other ICE Regions.

Flood and Water Management Conference 2017

Duxford | 19 October | 10:00 - 17:00

Following our popular Flood Risk and Water Management Conferences in 2011, 2013, and 2015 we're revisiting the topic in 2017. Speakers with first-hand experience of the issues will give updates on the state of flood and water management.

This event is for engineers, planners and others working in related fields. As well as exploring some of the policy challenges the day will include sessions on:

- Sustainable Urban Drainage Systems
- Rivers and Fluvial Flooding
- Coastal Flooding
- Surface Water Flooding
- Local case studies

ATTENDANCE FEES:

Early Bird (to 20/9/17)

Member: £105 +VAT

Non-member: £125 +VAT

Standard rate (from 21/9/17)

Member: £130 +VAT

Non-member: £150 +VAT

Cost includes access to all the speakers' presentations, an excellent buffet lunch and breaks with tea and coffee.

Delegates are also free to look around the museum until it closes at 6pm.

ICE East of England Merit Awards 2018

ICE East of England presents its Merit Awards every year to celebrate and recognise outstanding civil engineering.

You can enter a project in one or more of four categories; **Physical Achievement, Team Achievement, Technical Excellence and Sustainability.**

How to enter

To be eligible projects must be physically located within the ICE East of England Region which includes Bedfordshire, Cambridgeshire, Essex, Hertfordshire, Norfolk, Peterborough and Suffolk but excludes any London Boroughs.

They must have been completed, that is to say opened or commissioned or occupied, by the competition closing date Friday 27 April 2018. Thus, the 2018 awards will be for projects completed between 1st January 2017 and 28 April 2017.

For more information and entry forms please visit www.ice.org.uk/near-you/uk/east-of-england/awards/merit-awards

Award winners will be announced at a special Awards Event in September 2018.

Programme of Meetings

It is emphasised that all are welcome to attend ICE meetings. Other members of your family and guests from outside the profession who may be interested in the subject of the meeting are particularly welcome.

We encourage you to register your attendance for ICE events via our website at www.ice.org.uk/eastofengland, where further details (including location maps) are available for each event up to four weeks in advance.

Sometimes due to circumstances beyond the organiser's control, it is necessary to postpone or cancel meetings, so please always check the ICE East of England website.
