

Graduate Development Programme 2022

Welcome Event

An induction event to welcome you to Galliford Try and to introduce you to key personalities within the Company.

Module 1 - Delivering passion

How to deliver effective presentations.

Module 2 – The Bigger Picture

You will be paired with a fellow graduate and will host each other at your respective workplaces. The theme will be collaboration and sharing good practice.

Module 3 – It's all about the Team

This virtual module examines the 'Team' using the followership theory.

Module 4 – Practice what we teach

This outdoor event provides you with both a challenge and practical experience of how good leadership and followership is at the heart of any success.

Module 5 - Financial awareness and cash management

Supporting your understanding of how Galliford Try manages MS and delivers finances.

Module 6 – Constructing the future through projects

The focus in this module is to explore generic governance associated with projects and how they shape and drive the project life cycles.

Module 7 – Future Stars

This is your opportunity to shine. Deliver a presentation in the virtual environment and show Galliford Try what you bring to the organisation.

Graduation – Class of 2022

A celebration event for our Class of 2022.
