

G&S Communications Competition 2023 - 2024

About Communications Competition 2023 - 2024

Communications Competition is an interactive mock public consultation exercise where teams present their proposal for a development project and face comments from judges and the audience. The teams have to prepare submissions to support their proposed solution to win support from audience. Visit our ICE website (<https://www.ice.org.uk/hongkong>) for further information.

Team size

Four to six members (with **at least two** current ICE student and/or graduate members)
