'Technicians Meet, Greet & Eat

Venue : Project Centre Ltd, 81 Station Road, Kent House –
LG Suite 1, Ashford, Kent TN23 1PP

*An opportunity for Technicians to meet other technicians, talk
about professional review and network*

Thursday 11th April 2024 | 5.30pm to 7.00pm

Calling all Technicians, professionally qualified and thinking about becoming professionally qualified. Talk to Technicians who have already sat the professional review, find out what it entails, meet other Technicians and network.

Coffee/tea and hot food will be served from 5.30pm followed by presentations and networking opportunities.

"Project Centre is a leading engineering, design and landscape architecture consultancy whose highly talented people are passionate about designing attractive, sustainable and safe places for everyone.

We work in multidisciplinary teams, providing transport and highways network improvements as well as regenerating spaces and cities through urban design, flood and water management and landscaping. From community engagement and feasibility studies through to detailed designs, procurement support and site supervision, we delivered award-winning solutions for private and public sector clients across the country."
