Running since 2002, this popular biennial Conference is designed for industry professionals, students and others connected to the maritime field to share knowledge, best practice and new innovations.

The full day conference will explore the insights and knowledge from industry experts in the following overarching themes

- Project Showcases
- Innovation and Technology
- Climate Change Resilience
- Buildability and Delivery

The Programme is well advanced, however if you have speaker suggestions, please submit a short title and précis to **Ian Dobson, ian@tilt-ed.com**

Sponsorship opportunities

Working in the Wet 2026

With over 200 attendees, sponsors and exhibitors in 2024, the conference offers companies the chance to directly engage with engineers in the field, providing an excellent promotional and networking opportunity.

Exhibition Stands

The exhibitor area is an integral part of Working in the Wet and in previous years exhibition spaces have sold out quickly with a waiting list. With generous tea and lunch breaks, delegates have ample time to visit all the stands while enjoying their refreshments, which are served in the exhibition area.

Each exhibition space will consist of a 3x2m area, electricity point, table and chair. There is free but limited parking available at St Mary's Stadium. Please confirm parking with the ICE when booking stands.

The cost per stand is only £700 and includes one delegate pass to the conference. Additional delegate tickets are available at a discounted price of £60pp excluding VAT (usual price £70 pp excluding VAT).

Confirm your involvement

To make a booking please contact **Kirsty Joyce**, kirsty.joyce@ice.org.uk. Sponsor and Exhibitor packages will be confirmed upon full payment, or offered to other organisations after 31 days from the date of the invoice.

Concessionary tickets will be available at £30 pp for students and retired
