

# ICE East Midlands Knowledge and Networking Committee:

## The story of Avro Lancaster

Join the ICE Knowledge and Networking Committee to hear the story of the Lancaster Bomber VN-N (R5689), immortalised in the sculpture that now sits proudly on the hillside on the Lincolnshire Gateway.

This event will showcase the remarkable journey of the Bomber County Gateway Trust, tracing the development of this project from the earliest concept through to the creation of the final sculpture.

**Charlie White**  
Bomber County  
Gateway Trust  
chairman

**James MacDonald**  
UMC Architects  
associate director

**21 May 2026**

**18:00 - 19:30 BST (GMT+1)**

**International Bomber  
Command Center  
Canwick Avenue  
Lincolnshire, LN4 2HQ**
