General Data Protection Regulation (GDPR)

The Institution of Civil Engineers maintains data for all EPA applications. This will be used confidentially for normal purposes including assessments, quality assurance checks, the payment of fees and the issuing of certificates to successful candidates.

To fulfil its assessment obligations, ICE will, from time to time, have to share relevant data with other organisations involved in the delivery of registered apprenticeship standards including your employer, training provider, the relevant External Quality Assurance Organisation, the Institute for Apprenticeships and Technical Education and any other body identified under Education and Skills Funding Agency rules as requiring access to EPA data.

Personal data relating to ICE membership, including EPA application data, may be stored securely in perpetuity for historical purposes. Personal data relating to non-members applying for the EPA only will be held for 6 years. For more information on how and why we collect and use personal data and your rights as an individual please review the [ICE Privacy Notice](#).

¹ For those with an education, health and care plan or a legacy statement, the apprenticeship's English and mathematics minimum requirement is Entry Level 3. British Sign Language (BSL) qualifications are an alternative to English qualifications for those who have BSL as their primary language.

I have read the above guidance and understand that I am applying for my EPA with ICE.

Publication

If my application for ICE membership is successful, I am happy for my name to be published on a list of successful candidates, on the ICE website .	<input type="checkbox"/>
---	--------------------------

Unspent convictions

No person with an unspent conviction relating to a serious criminal offence will be admitted to any grade of membership unless there are special circumstances that show beyond reasonable doubt that the person is a fit and proper person to be admitted to membership of the Institution.

If you have an unspent conviction relating to a serious criminal offence, please complete [this form](#) and have it signed by your sponsors, and include in the PDF of your application. A member of staff will contact you directly and in confidence.

Important undertaking to be signed by the apprentice

On passing my EPA, I also apply for admission as a Technician Member of the Institution of Civil Engineers and professional registration with the Engineering Council as an Engineering Technician and, in accordance with Admission Procedure 3, understand that [my name will be published](#). I promise that in the event of my admission I will be governed by the Royal Charter, By-laws, Regulations and Rules of the Institution and I will accept as final and binding the decisions of the Trustee Board.

I also promise to promote the object of the Institution to foster and promote the art and science of Civil Engineering and to attend meetings as often as I conveniently can. I declare the information in this application to be complete and correct. I confirm that if I have an unspent criminal conviction, I have informed ICE about it and provided the information required.

I agree that the College(s) and/or Universities from which I graduated may release details of my qualifications to the Institution of Civil Engineers and I agree that if any of the qualifications I have claimed are found to be false, the Institution of Civil Engineers may inform any other interested third parties such as my employer, any other professional bodies of which I am a member and any qualifying body from which I claimed a false qualification, and the Institution of Civil Engineers may also provide copies of the documents containing these false details to these other interested third parties.

I also understand that if any of the qualifications I have claimed are found to be false my application will be rejected, and the Institution will notify the person(s) supporting my application of the reason why my application has been rejected. I agree that the Institution of Civil Engineers may contact employers and other parties connected with my application to verify the information provided.

General Data Protection Regulation (GDPR)

The Institution of Civil Engineers (ICE) and Thomas Telford Ltd (TTL) maintain data on all members. We also maintain data on non-members who use our services. This will be used confidentially for normal purposes, including subscription and donation collection, mailing of publications, contract fulfilment when purchasing TTL products and services and notification of conferences and events. Your name and grade will be displayed on our online Members' Directory.

Members based outside the UK may have their data transferred to International Country representatives for administration of local events in their country of residence. Member data will also be shared with the ICE Benevolent Fund.

Personal data relating to ICE membership may be stored securely in perpetuity for historical purposes. Personal data relating to non-members and/or TTL customers will only be held for as long as needed to fulfil the purpose for which it was collected.

For more information on how and why we collect and use personal data and your rights as an individual please review the [ICE Privacy Notice](#).

I declare the information in this application to be complete and correct.
